SIERRA MADRE NEWS

THURSDAY, APRIL 4, 1946

SIERRA MADRE, COUNTY OF LOS ANGELES, CALIFORNIA

VOLUME 40—NO. 28

Observations

by LEE SHIPPEY

I don't like to pay taxes.

But I do like to live in a town I can be proud of. That is a daily satisfaction, a daily strengthener of self-respect which is worth far more than a few dollars a year.

We have sound reasons for being proud of Sierra Madre. It is a place of exceptional natural beauty. It is noted for its thousands of fine trees. It has the most beautiful public school we ever saw. It has fine, intelligent citizens and, police records show comparatively little crime.

From its beginnings, Sierra Madre has attracted a superior class of citizens. First it was the beautiful setting and healthful climate which attracted people like "Lucky" Baldwin, who had almost as keen an eye for beauty in landscape as he had for beauty in a horse or a woman. Baldwin bought the ranch including Sierra Madre because after much travel he declared it was the truest bit of Paradise he had found. He made his plowmen plow around trees instead of chopping them down, as was being done all about him. N. C. Carter was a cultured man from Massachusetts who bought the townsite from Baldwin because of its beauty and climate. He went back to Massachusetts to tell other admirable persons about it, and may have been the first person to bring a whole coach-load of home-seekers, in one party, to California by train. That is why ours always has been a town of fine trees, lovely gardens and exceptional self-respect. That created the spirit which brought such famous folks as Gutzen Borglum to live here, just as years later it brought Alfred Dewey, John Russell MacCarthy and hundreds more who are gifted with finer perception than most persons have.

I imagine one of the proudest moments in our town's history was the day, 60 years ago, when our public library was dedicated. Many far bigger towns had no libraries then, and the Sierra Madre library lifted the town to a high place in the estimation of all Southern California. From that day to this you need only say, when introduced to any stranger who knows our State, that you live in Sierra Madre and the answer will be:

"It's beautiful up there. And you have such a fine class of citizenry."

Probably the library had more to do with giving us that reputation, and with expressing and cherishing the spirit which makes our town what it is, than any other one thing.

However, ours has grown to be a big town now, darn it. It isn't the exclusive club it used to be. The library which served us so nobly half a century ago was the pride of the city then but we apologize for it now. Our self-respect demands that a structure which has served us so long and so well be retired.

No friends, I don't like to pay taxes. But I don't believe the Library Tax will cost the average family more than \$2 a year for five years. Even if you have a big and beautiful home the tax probably won't be as much as you would give outright if a begging committee called on you. By voting this tax all of us can feel it is our library; we feel that we have done our bit to preserve the good name of our lovely and beloved town.

Judge Eaton Reports Red Cross 200% Over '46 Goal

The 1946 Red Cross drive is now officially over and as Chairman of the local campaign, I wish to make a report to the community upon the result.

Sierra Madre's goal was \$3400. This goal was made on March 9, within the one week period allotted for that purpose. We were the first chapter in Los Angeles County, and one of the first in the Pacific Area, to make our goal.

As of March 31, Sierra Madre had subscribed \$6919.82, or over 200% of its quota, which we may be proud of in a year when most other chapters were having difficulty in making their 100%.

Sierra Madre's achievement is principally due to the generosity and public spiritedness of its citizens but credit should be given to those who worked so hard on the drive. Luke Gervais and his Explorer Troop of Boy Scouts distributed literature and posted placards. Miss Clara Sykes devoted hours of her time to the keeping of an elaborate set of records. The churches gave their support by calling their congregations' attention to the worthiness of the Red Cross; and the merchants gave their usual support. The Sierra Madre News gave freely of its space in order that the drive might be given the publicity it required. Mayor Schwartz and other members of the City Council gave the drive their official endorsement. Approximately 120 persons made the canvass; not one person in the entire community refused to give his assistance when called upon.

The local Red Cross is now in a position to carry on its year's program with a full budget and the knowledge that Sierra Madre's citizens are behind it to the fullest extent.

Photo Studio Opens in Hotel Block

The Glames Studios of portrait and commercial photography are making their formal opening in the Sierra Madre Hotel Arcade tomorrow. The location, formerly occupied by Dr. J. Stadden Miller has been remodelled with an attractive reception room, gallery, dressing room and splendidly equipped laboratory-dark room.

The Glames Photography is owned by a Sierra Madre veteran, James L. Taylor and partner, Glenn M. Warner. Both men served during the war as Air Corps photographers. Mr. Warner in the Pacific and Mr. Taylor in the European Theatre.

City to Have New Veteran Group Organize Sunday

The first organization meeting of the American Veterans Committee in Sierra Madre will be held Sunday evening in the Council Chambers of the City Hall, starting at 8 o'clock. It was announced this week by William K. Keith, 381 Mariposa.

The meeting will be addressed by Norris Helford, Southern California field secretary of the AVC, and Dr. Nathan Jacobs, 454 Mariposa.

Dr. Jacobs, a veteran of overseas service with the Army's medical corps, and Keith, a former Technical Sergeant of the AAF, are active in the organization of a Sierra Madre chapter of the AVC.

Fastest-growing of purely World War II veterans groups, the American Veterans Committee admits to membership all veterans of this war who were honorably discharged from service; membership is open also to members of the women's service groups—WACs, WAVES, SPARS and Women's Reserve of the Marine Corps—on an equal basis with men. No distinctions are drawn as to race, color or creed.

Alone among the veterans groups, the AVC also admits members of the Merchant Marine. The Fourth Estate also is welcome, war correspondents who served overseas being eligible for full membership.

Election Candidates Kiwanis Guests Tues.

The Kiwanis luncheon Tuesday was a "Get out to Vote" theme. The candidates for the coming election, April 9th, were guests of the club. Lt. Gov. Raymond C. Simpson congratulated the Council candidates and administered all that it is a privilege and duty to exercise the right to vote.

ANNIVERSARY OF 60TH YEAR IN CHURCH CIRCLES

The Congregational church celebrated its 60th Anniversary Saturday and about 175 attended the dinner in the evening given to commemorate that event.

George Morridge, Moderator, presided at the affair and expressed the regrets of the assembly that Dr. Pritchard was unable to be present on account of illness.

The program opened with singing, led by Mr. Bush, and the "Beauty Parlor Quartette." Mrs. Percy Kortkamp, Mrs. William E. Wilcox, Mrs. Loren Jenkins and Mrs. Eddie Robertson, in costumes of the past century, rendered "You Made Me What I Am Today." "When You and I Were Young, Maggie," etc.

Those who have been members for 30 or more years were introduced. The list included Miss Alice E. Tutts, Miss Hilda Humphries, Mrs. Ora Graham Caskey, Harry Caskey, Ralph Lord, Mrs. Marie Caskey Lord, Mrs. Louise Gray, Mr. and Mrs. C. W. Jones, Mrs. Hortense C. Hill, Mrs. Hazel Hill Morridge, George Morridge, Mrs. Hilda Caley Noble, Mrs. L. M. Rice, Mrs. Marion Decker, Shaw, Miss Verna Trible, Mrs. Ida Hartman, Rudolph R. Hartman, Mrs. Myrtle Preston Hartman, Convers L. Twycross, Mrs. Ruth Sparks Twycross, Mrs. Preston Schwartz, Thomas M. Schwartz, Mr. and Mrs. W. S. Hull, Mrs. Marie P. Watson and Mr. and Mrs. N. W. Tarr.

The daughter of Rev. M. L. Gordon, founder of the church, was present with her husband, Bishop Reifsnider, and related many interesting experiences of the early days of the organization. The Bishop, now in Pasadena, who was in Tokyo before the war and an American war prisoner, also spoke briefly.

Reports were made by the various organizations: For the Duets, Mrs. James A. Brodhead; Dr. Morley expressed appreciation for the Boy Scouts and Explorers; Concessors, Mrs. Jack Butler; Choir, Mr. Bush; Women's Society, Mrs. E. G. Everett; Sunday School, Lewis George; Deacons, R. R. Hartman; Directors, Francis S. Dane, Jr.; C. W. Jones for the Pulpit Committee stated they will report as soon as a decision is made in regard to a new pastor.

Rev. Harry Leach of Pasadena, who has been occupying the pulpit until a new Pastor is secured, predicted the Easter offering would amount to \$2,500 rather than the \$2,000 asked.

Interesting collections of members of early days were arranged in the church parlors, pictures of the six different church buildings in which meetings have been held and photos of 12 of the 16 ministers who have served the church in the 60 years, with pictures of many of the charter members, the children and grand children of some of them being present.

PUBLIC SCHOOL WEEK TO BE OBSERVED

Lee Shippey Invited to be Program Speaker

Public School Week is at hand again. Perhaps it will receive more attention than usual as it is the first Public School Week in five years in a period of peace. Education is fast returning to a normal part of life. Never in history have men and women, boys and girls so realized the value of scholastic training.

The Masonic Lodge has fostered the Public School Week, starting 27 years ago. The local lodge has offered prizes for the best posters, the winners to be announced next week.

Special work and special classes have not been planned at the Sierra Madre schools, but the public is especially invited to visit the school during the week to observe its regular work and to appraise the type of instruction the children are receiving throughout the school year.

On the evening of Friday, April 12, at 7:30 the primary department will present a program in the school auditorium, and Sierra Madre's Lee Shippey will give an address pertinent to the occasion. After the program the classrooms will be opened and opportunity will be given for parents and friends to see the results in academic work as well as in the arts. It is especially hoped that parents will note the progress of their children during the school year, and will discuss their children's work with the teachers.

Let's take a look at our own schools this year and make a dedication of purpose which will contribute toward making our good schools, better schools.

Cement Poured at Youth Building Sun.

Work is progressing on the new Youth Center building. A number of volunteer workers began on hand Sunday to pour the cement, the work being completed by noon, after which cement finishers went in and did the fancy work. Harold Spears had a cement mixer on the job and the city machine was also used.

Some of the workers seen were: Hans Guthrie, Wm. Estes, Clarence Hunsinger, Henry Kornmeier, Robt. Green, S. McElfresh, Vern Udell, P. R. Penn, Luke Gervais, John Lorenzini, M. J. Meisenheimer, Remington Stone, Gordon Stover.

Also Explorers Bill Rowe, Roland and Elmer Guthrie, Dick Hauck, Eric Thompson, Rod Smythe, Neil Fergus, J. Spears, Stephen Read and George Carlson also helped.

Next Sunday, workers are needed for stripping floors and cleaning up the lumber to get ready for the construction work the following Sunday.

Local P. O. Receipts Increase, Other Cities Decrease

Sierra Madre is growing. Postal receipts in the Valley cities, except Sierra Madre, showed a decrease for March, due undoubtedly to the return of the armed forces.

Aracadio showed a drop of \$1253 in March, 1946 over 1945. Temple City dropped \$244 and Alhambra, \$1874.

Sierra Madre shows March, 1946 receipts were \$3,278.06, \$177.09 over March of last year and the first quarter shows an increase of \$802.08 over last year.

Mrs. Elizabeth Miretta Bentley, aged 81, passed away at her home, 298 W. Highland, yesterday. Mrs. Ida McMillen of this city is her daughter. Funeral Saturday at Lodi, California.

◆ Frank Cox, W. S. Hull and Thomas Schwartz of the Sierra Madre Hardware attended the monthly dinner of the Southwest Hardware Company in Los Angeles Thursday evening.

ATTENTION VETERANS

We are taking a census of No. 1 and 2 World War Veterans in the City of Sierra Madre. Explorer Troop of the Boy Scouts, under the direction of Luke Gervais, is calling at every home. They have an information card to be filled in. Please co-operate when one of these boys calls at your door, by assisting him in filling in the card or advise him if no ex-service man or woman lives that address. In the event it is necessary to leave the card, please fill it in and return it to the City Clerk's office at your earliest convenience. If all the information cannot be readily supplied, just fill in the name and address for the present.

Thanks, Eddie Robertson, Chairman of the Home Coming Committee.

Seven Candidates for the City Election Submit Qualifications For Your Approval

The following sketches were contributed by the candidates and their friends:

EDDIE ROBERTSON
For City Clerk

To the people of Sierra Madre, I wish to express my appreciation for the many courtesies you have extended me during my short time in office. Those with whom I have come in contact can be assured it has been a most pleasant association.

To the Council, I wish to thank you for appointing me as City Clerk. Your co-operation has been wonderful.

It is my aim to conduct the affairs of the City Clerk's office, at all times, in a courteous and business like manner.

Eddie Robertson, Incumbent.

VINTON A. HOEGGE
For City Council

I am again offering my services to the City of Sierra Madre. I do so, fully recognizing the responsibility and time necessary to properly perform the duties as Councilman. In so doing, I am in no way obligated to any person, group or organization, and it shall be my desire to continue working in harmony for a better Sierra Madre.

My interest in the welfare of our community dates back many years. As a boy I attended the local school and later, I conducted a business here as owner-operator of the Mount Wilson Pack Train, transporting passengers and packing supplies to the flourishing mountain resorts of this district at that time.

For the past 25 years I have been a tax payer of this city. Many important issues which definitely affect the welfare of this community for years to come will soon be in the hands of the Council for election.

Your Loyalty is needed! It is my City's wealth we share. Let us all do our part by exercising our right to vote as free men and women. LET'S GET OUT AND VOTE!

Vinton A. Hoegge, Incumbent.

G. RUSSELL LOVEJOY
For City Council

Born in Los Angeles. Moved to Sierra Madre in 1931. Attended Sierra Madre Grammar School, Woodrow Wilson Junior High, P.J.C. Entered U. S. Army, May 1940. Discharged July 1945.

(Was attending the Infantry School, Officers Candidate School, immediately prior to discharge.) Served overseas in the Asiatic-Pacific Theatre of Operations.

New Zealand, Australia, Timor, Java, New Guinea, Goodenough Islands.

Post-Army—Co-owner operator of the Wistaria Cab Company.

Sierra Madre has now reached the critical post-war period. Our problems are many, and the logical solutions lie in straight-forward progressive handling. We must not disregard or pigeon-hole any of these problems. We must be business-like and thorough in the consideration of every civic issue, without submitting to outside influence.

Let us in a relatively short time be able to point with pride to our streets, our roomy school, and our immaculate business district.

HELEN HAWLEY NAROZNY
For City Council

Helen Hawley Narozny has served the community in numerous ways such as taking around questionnaires, soliciting funds for welfare work and is now a member of the 4th Assembly District Committee of the Los Angeles County Democratic Central Committee.

Mrs. Narozny, a painter by profession, consequently is interested in promoting art appreciation in the community. She built her studio on Fair View and has been living there since December 1940. She has been the means of bringing several exhibitions of paintings to Sierra Madre. Some of these exhibits were hung at the Wistaria Vine, some at the public schools. She is interested in preserving the natural beauty of the town and increasing this wherever possible. She is an active member of the Sierra Madre Garden Club. She has been a member of the Women Painters and three children.

He resides in their new home, at 718 W. Alegria, with his wife and three children.

CITY EMPLOYEES RETIREMENT PLAN

Advantages resulting in improved city government for the City of Sierra Madre by including our city employees in the State Employees Retirement System were explained in the two preceding issues of the NEWS.

The following named representative citizens of Sierra Madre endorse this measure which appears as Proposition No. 2 on the ballot at the coming Municipal Election, April 9:

Francis Eakman, Food Sales, Thomas A. Reynolds, Lawyer, Noren Eaton, Attorney, Roy H. Pickett, Merchant, Rudolph R. Hartman, Druggist, R. A. Hawks, Manufacturer, Harry A. Lange, Funeral Director, Ralph Hurwitz, Retail Shoe Dealer, Mrs. Lovetta Pratt.

Remember, the cost is nominal. Based on the actuarial survey and our present assessed valuation, it will amount to approximately 2 1/2 cents per year on each \$100.00 of assessed valuation. This amount includes payment for prior and future service and will be reduced approximately 40 per cent when payments for prior service are completed. The employees' contributions for future benefits are approximately the same amount as that paid by the City for this purpose.

VOTE YES ON PROPOSITION NO. 2.

TOM NEALE, Insurance Agent.

St. Rita's Scout Troop No. 2 Received Memorial Flag of Arress Emrie Air Cadet at Court of Honor Monday Evening

One of the most impressive ceremonies to take place since the close of the war was the presentation of a memorial U. S. flag Monday evening at the Boy Scout Court of Honor.

The folded flag from the casket of Air Cadet Arress Emrie was sent by his mother to Mr. and Mrs. Robert Newbery to be given to Troop No. 2. Arress was a member of this troop when he attended St. Rita's and Mr. Newbery was the Scoutmaster. Mrs. Emrie remarked that the happiest days of Arress' life were when he was a Boy Scout and member of Troop No. 2.

Succeeding Scoutmasters assisted Mr. Newbery, Lawrence Nault, recently returned from service in Africa, Italy and Germany, Joe Hinojosa, staff photographer at Fort Ord and the present Scoutmaster, E. J. Osterman.

Arress Emrie, AC lost his life at Minter Field in an accident just one week before he was to have received his Wings and Lieutenantancy.

NORMAN O. NELSON
For City Council

Norman O. Nelson, candidate for City Council, was born at Rice Lake, Wisconsin, December 2, 1900, and when about 18 moved to Tacoma, Washington, with his parents, where he was married to Miss Joy A. They built their present home at 365 Auburn in May 1935.

For the past six years Mr. Nelson has been purchasing agent for Ward, Inc., of Pasadena.

Mr. and Mrs. Nelson have had two sons, Donald L., who was killed at Iwo Jima, February 25, 1945, while serving with the U. S. Marines, and Denton J., age six.

Mr. Nelson has had a fine business experience, is interested in a sound, practical, progressive government for Sierra Madre and if elected will do all in his power to carry out that program.

HENRY B. NUETZEL
For City Council

Henry B. Nuetzel, candidate for City Council, was born in Sierra Madre in 1914, attended local grammar schools, high school and P.J.C. Graduating from St. Mary's college in 1938 with a B.S. in Economics and Finance, he was engaged by the University as Assistant to the Comptroller.

He enlisted in the Air Corps in 1940, was commissioned as a pilot officer, was sent overseas with the first Air Corps contingent in 1942 and served a combat tour in the Philippines, Borneo, Java, India, Australia and New Guinea. He returned with the 19th Bombardment group, the recipient of many citations, was promoted to Major and placed in charge of a Navy Bombardment Air Base. When the point system was announced Major Nuetzel was relieved and secured his present position with Transcontinental & Western Air as a pilot on scheduled passenger flights between Burbank and Albuquerque, New Mexico.

Pavoring a progressive Sierra Madre, Mr. Nuetzel has gone on record as being particularly interested in facilities for youth development and education in this home city which he knows so well.

He resides in their new home, at 718 W. Alegria, with his wife and three children.

CITY CLERK HAS NO OPPOSITION

The coming city election next Tuesday, April 9th is undoubtedly the most important election yet held in Sierra Madre. Decisions and policies will be made by the Council elect which will drastically affect the entire future of this community. More vital issues are near at hand than usually confront city officials. The problems will make heavy demands on the economic, financial and judicious judgment of the City Fathers.

Next Tuesday the citizens of Sierra Madre will make their choice at the city polling centers from a slate of well qualified candidates.

The Sierra Madre News takes pride in presenting the candidates for the forthcoming election. There are seven fine citizens ready to serve their city in official capacity. Eddie Robertson is running for City Clerk with no opponent. Six candidates will be listed on the city ballot, three of whom will be elected to the City Council. Be sure to take advantage of America's great heritage and vote as your judgment dictates next Tuesday.

For 25 years, he is a Past Master of the local Masonic Lodge and was a charter member of the Kiwanis club. He comes of a pioneer Sierra Madre family, the present City Library being a memorial to his grandfather, Robert Ross.

His experience, knowledge and interest in Sierra Madre should be a valuable asset in arriving at decisions important to us all. He wants what we all desire, a well ordered, healthy and prosperous city, where children are safe and people happy, and will support every measure toward that end.

TAKEN BY DEATH TWO DAYS AFTER MOVING AWAY

Mrs. Anna—Amelia Dufner passed away at her home, 2250 South Gladys Street, San Gabriel, last Thursday morning at 4:30 from a heart attack. Mrs. Dufner with her husband, Charles, and daughter, Miss Eleanor, have lived at the Bella Vista Terrace until March 26th when they moved to their new home at San Gabriel.

Mrs. Dufner passed away two days later. She is survived by two sisters, Clara Zippel of Cleveland, Ohio, and Bertha Thompson, Ft. Wayne, Ind., and a cousin, Henry Dufner of Sierra Madre.

The Recitation of the Rosary was held at Grant Chapel, Friday evening and Saturday morning at 9:00 Requiem Mass at St. Rita's. Interment at Calvary. Mrs. Dufner was born at Monroeville, Ohio, 69 years ago.

Recreation Commission Will Submit Program to Council

The Recreation Commission at their meeting Tuesday evening drew up a proposed spring program for the next two months, together with the estimated cost, which will be submitted to the Council at the next meeting for approval.

Contact has been made with other communities and with the County Recreation Commission and it was the unanimous recommendation that a part or full time Recreation Director is imperative. The need for co-ordination of youth groups, elimination of duplication and overlapping is urgent and the Board feels a full time man for the summer program is necessary.

The following are present activities: Boys' Christian League, baseball, two days a week; Y. M. C. A. baseball, one day a week; V.F.W. adult baseball; American Legion baseball; Adult program at the City Park.

It is recommended that S. E. McElfresh be engaged as part

time Director until June 15. He is not available for the summer program. It is suggested that he supervise a recreation program two nights a week, from 7 to 9, at the City Park.

A request, signed by 44 Sierra Madre residents, for the fencing of the S. E. section of the Park for adult recreation, was received and the Commission recommends its favorable consideration as an active program of shuffleboard, quoits and croquet is being conducted and it is necessary that the courts be kept in condition and that program does not conflict with youth activities.

Tennis, volleyball, croquet, ping pong, touch football are needed for the teen age group. County Supervisor Wm. Smith plans to speak to the Recreation Commission on the possibility of help from the county in the near future.

The Commission recommends the appropriation of \$165 for the two months' program outlined.

BALLING BABY TALK

By MAXINE BALLING

IF PRESIDENT TRUMAN or Mr. Bowles of the O.P.A. had a little baby I'll bet they would do something about this DIAPER CRISIS! Folks who want lumber or new cars have nothing on the parents who wait until baby is born and then try to find diapers. They shop frantically everywhere. One papa clear down in Southgate heard that we had some and we let him take our last dozen.

We get a little bitty shipment now and then but they're gone in a few hours. SO, Mr. Bowles, we've established the B.W.L. (Balling Wait List). Mothers waiting around for a baby tell us "about when" they'll need such vital things as diapers, order them in advance, and when we get some we lay them away. One little wife on our B.W.L. isn't "expecting," until next September, but she's placed her order. SHE'LL have diapers!

We do have Chix's "Disposables," disposable paper ones with washable holders. They're a wife-saver in emergencies, and nice when you're traveling.

About the CUTEST things in the Balling Baby Shop are the new felt shoes, in teenie sizes 0 to 4. They're from the Veach Shoe Company who make them beautifully, some with ribbon lacing. We have a complete line now, \$1.50.

Nicest soft-sole leather "intermediate" shoes for baby when he first stands and falls down and stands and falls down, are the Stork Colony Baby Shoes, \$1.75. "First-steps" with hard leather soles are coming in - should be here in about two weeks.

Come over and see the Balling Baby Shop. It's cute. It's at 401 1/2 South Myrtle, in Monrovia.

No Sunrise Service in Sierra Madre?

Easter sunrise services, April 21, will be held at many scenic spots in Southern California, for the first time since the war, including the Hollywood Bowl, where 40,000 people are expected. It is estimated fully as many will attend the service at Forest Lawn Memorial Park, while the program at Mt. Rubidoux, Riverside, probably will attract between 15,000 and 20,000 worshippers.

At least 50,000 calla lilies will be used at the Hollywood Bowl for decorations. Many other outdoor sunrise services are being arranged in addition to the early masses at Catholic churches and sunrise programs at scores of Protestant churches.

GORGEOUS AZALEA FESTIVAL DRAWS CROWDS

In this Spring season one of the most noteworthy of the many floral events is the beautiful Azalea Festival at the Coolidge Rare Plant Gardens on North Foothill Boulevard in East Pasadena.

Through a bamboo gate crowds have passed daily into a fairland of color. An authentic Oriental Garden and its surrounding acres of singing color are spread at the feet of visitors, inviting their homage. In this you are offered a unique opportunity to enjoy a vision of the Orient at its loveliest—without leaving our own shores.

Beyond the vine-covered lath, winding walks conduct the hundreds of visitors through a forest of brilliant bloom. A charming little bridge over a clear stream that reflects the many colors of the Azaleas leads to an open court beyond. Admission is free.

The San Gabriel Artists Guild is presenting an exhibition of oil and water colors by Vernon C. Taylor during the month of April.

Egbert Embree, son of Mr. and Mrs. A. H. Embree, 535 Auburn, who received his discharge from the Navy at Bremerton, Washington, arrived home yesterday. He was overseas a year and a half, serving as a MAM 2nd class at New Caledonia and New Hebrides. Meeting last Thursday night at the Art Guild, the Civic club selected the following nominating committee for officers for the year beginning in September: Mesdames Ralph Hutchinson, Jack Butler and George Larsen. Francis Ekman sang a song composed by Ann Azon, a Civic club member.

John C. Haynes of Tucson, Arizona, visited at the home of Mr. and Mrs. A. E. Crepin and Mr. and Mrs. L. Suman, E. Highland, the first of the week.

Mrs. I. Edwards, 484 Mariposa, was operated on yesterday at St. Vincents Hospital, Los Angeles, for correction of an injury to her back brought about by a fall in her garden. She will be confined to the hospital for three weeks.

FACTS - for the HARD of HEARING

By Gordon P. Felts
Hearing Specialist

There are more than 15,000,000 people in the United States today who are hard of hearing. More than 90% of them can be definitely benefited through the use of a hearing aid. The hearing aid will help them. The old adage, "A stitch in time saves nine" applies to hearing loss. Most people with a hearing impairment, if they act in time, can greatly retard the progression of loss, and can enjoy good hearing practically all their life by wearing a modern hearing aid.

There still are some people who think wearing a hearing aid is an acknowledgment of weakness, a recognition of a handicap. It used to be that the same feeling prevented many people from wearing glasses who definitely needed them. Wearing a modern hearing aid today is not nearly as conspicuous or noticeable as wearing glasses. As a matter of fact, many people are wearing hearing aids, and even their best friends do not know it. People in greatly increasing numbers are wearing hearing aids and enjoying the manifold benefits of normal communication and communication with their fellowmen. Indeed, many people today are holding responsible positions in business and industry who, if they didn't wear a hearing aid would not be able to work at all. Too many people are engaging in social, club, fraternal church activities because they do wear a hearing aid.

Are you hard of hearing? And are you one who thinks that you can't be helped, or don't like to wear a hearing aid? Or are you trying to hear through an outmoded hearing aid, one that has lost its efficiency? If so, you have a real surprise coming to you: if you will investigate today's great improvements in hearing aids; if you will but take the time to seek proper information. The new post-war "All-In-One" TELEX, made by the originators of the wearable vacuum tube hearing aid, is the highest quality, most modern high fidelity electronic hearing aid available today. It is one hearing aid that is helping thousands of hard of hearing people to hear with clarity, ease, comfort and satisfaction. I am always happy to demonstrate this new post-war Super-TELEX, show YOU what it will do for YOU, without obligation—your own home, at your convenience. Write or telephone for appointment to Gordon P. Felts, 18 Vista Circle Drive, Sierra Madre. Custer 5-5060.

A pathway is crossing the brow of a hill
Where, where does it go?
To a hidden ravine so enchanting-ly still
With its burden of snow?
Or does it wind gaily through canyon and creek
To a valley beyond,
Where it traces a pattern of charming batik
By a shimmering pond?
O, it calls me to follow wherever its way,
And there isn't a doubt . . .
It has given me something this exquisite day
To wonder about.

—Florence Bakman.

MOM AND POP MUST HAVE HAD some such curiosity about roads, for the last we saw of them they were heading down one, with the avowed intention of finding where it ended, taking a long, well earned vacation.

While they are away, someone has to fill this space (don't ask me why) so, as that job has fallen to me this week HERE GOES.

MOM and POP were hardly out of sight, when I started to look for the Green Frog, feeling that while they were away, that erudite amphibian might let me play Bergen to her McCarthy (she having had so much experience as a columnist), but, no Frog. She had hopped out (mating season perhaps) or maybe she was just tired. Well, she hasn't had a vacation for years, so—more power to her. She probably will not be back until about the first of May, so this column will be more or less Frog-less until then.

Curly says to tell you, we have a complete stock of ripe olives now—Grabbers and World Over brands; also that we now have plenty of coffee (our coffee shelves are full, for the first time in a long time). We have just received a shipment of Nutrishus brand meat balls and gravy, a very good product and ONE CAN makes a meal for the average size family.

Les (in the meat department) has a fine supply of AA choice lamb chops and will cut them to your order, rib or loin. We have been reading in the papers about a price raise on beef and pork but not on lamb (guess we'll have lamb for Sunday dinner).

Betty Hill has whipped up some mighty fine chili and beans and some Italian spaghetti, made like it should be made. Either of these make good eating on these cold evenings. Betty also has bulk fruit salad and as scarce as fruit salad is, that's a tip to remember.

In the vegetable department, Ray has an array of fruits and vegetables that just can't be surpassed. Right now Imperial Valley asparagus is plentiful and good. It probably takes an odd type of mentality to wax eloquent over a vegetable stand, but when Ray and the boys have their stand set up with all the shades and colors there are in garden fresh fruits and vegetables, the whole stand shining with cleanliness and freshness, it's really a beautiful sight (especially if you are hungry).

Sure is a job writing these blurbs. OH WELL, I can always say I didn't have the Frog to advise me.

O, wherefore our age be revealing?
Leave that to the registry books.
A man is as old as he's feeling,
A woman as old as she looks.
—Mortimer Collins.

As POP said last week, don't forget to vote April 9th.

Proposed New Sierra Madre Library

OUR BOYS AND GIRLS NEED A NEW LIBRARY

The old building is over 60 years old and has outlived its usefulness. Books are piled on the floor for lack of room. It is an old building and not suitable for remodeling or making additions.

There is not room for students who wish to use reference books and study in the evenings. The space for children is very small. The building is poorly lighted. Our boys and girls are our future citizens. Let's give them a chance.

A beautiful site has been donated for the new building, much more centrally located. Its situation lends to the construction of a basement, for storage and heating plant. Let's have a building of which we may be proud.

The new Library will be a Memorial to those of World War II. It will be an educational force in our community, another asset for our boys and girls. The cost to each of us is small.

Sierra Madre News Bought by George Morgridge, News Moves to Kersting Block. Library Assn. Elects Officers.

The Sierra Madre News, including plant and good will, has been sold to George B. Morgridge by Charles W. Hill, former publisher and editor. According to the new owner the News will be conducted, as in the past, along lines that seem to be for the best interest of Sierra Madre, and its editorial policy will be one of principle but very little politics. In retiring from the newspaper business Mr. Hill expressed his unbounded faith in Sierra Madre, her enterprising people and her future prosperity. One of the important changes brought about by the new ownership of the News will be the removal of its offices to the Kersting Building.

A surprise party was given Comrade E. N. Mead in honor of his birthday. Grand Army comrades present were Dr. Campbell, Capt. J. A. Osgood, A. D. Hawks, J. H. Armstrong and A. S. Mead.

New directors elected to the

library association are: Mrs. L. C. Torrance, Mrs. George H. Lettau, Mrs. H. G. Flint, Miss A. B. Clinie, W. S. Andrews, H. J. Potter and W. E. Bechtelheimer. L. C. Torrance was elected auditor. The new board met and elected the following officers: H. G. Potter, president; Mrs. L. C. Torrance, vice-president; W. E. Bechtelheimer, secretary, and Mrs. George Lettau, treasurer.

Miss Alma Jones entertained the Modern Priscillas at the studio of Mrs. J. C. Borghum. A Colburn of San Jose has purchased through the Twycross agency, lot 2 of the Sierra Madre Heights tract. He will build a residence to cost about \$2,000. Lot 4, Sierra Madre Heights, has been transferred to Mrs. Isabelle L. Riffe, through the Mead agency. She will build an \$1800 bungalow. S. R. G. Twycross reports the sale of lot 13, Park Manor tract, to Mrs. Gertrude Gelb of New York.

The Ladies Musical club will meet at the home of Mrs. C. W. Jones. Capt. J. A. Osgood has been appointed precinct committeeman of the Lincoln-Roosevelt Republican club for the Sierra Madre city precinct.

With the removal of the News office to the Kersting block, A. S. Mead will continue to have desk room with the News.

The Civic League of Sierra Madre has endorsed the following candidates: trustees, H. J. Irwin and L. Dietz; treasurer, L. C. Torrance; clerk, J. A. Madden and marshal, W. P. Caley.

A burro race open to all comers, is to be held with a five dollar gold piece given to the winner by Charles J. Fox. Second and third prizes of \$3 and \$2, respectively, are also offered by Mr. Fox.

APRIL 3, 1931
Land Where Sierra Madre Now Stands Sold for 15 Cents Per Acre

Officers of the state organization have dissolved the Sierra Madre Union of the California Taxpayers Association and ordered a survey made of the city's affairs. The purpose of the survey is to determine whether or not the affairs of the city are being economically administered and in the interests of the taxpayers and, if not, in what manner improvement may be brought about.

According to Harold Carew, local author and historian, Hugo Reid, former owner of Rancho San Pasqual, which consisted of 14,000 acres, including portions of Pasadena, Altadena and all of Sierra Madre, sold his holdings in 1850 for 15 cents an acre. N. C.

Carter, associate of "Lucky" Baldwin, bought and plotted Sierra Madre in 1881. Mr. Carew stated. He paid \$25 an acre for the property and sold 2, 4 and 8 acre plots at \$80 an acre. Dr. Arthur O. Pritchard will officiate at the community Easter sunrise services, sponsored by the Canyon Park Improvement Association. The junior choir of the Congregational church, with Mrs. Myrtle Hill, organist, and Mrs. Donald C. Ashmore, leader, will furnish sacred music for the occasion.

Members of Bethany church, following their custom will hold six o'clock Easter services on Marlborough Terrace. Rev. William Duncan Ogg will deliver the sermon. Roy F. Stevens, organist and choir director, will direct the Easter cantata, "Olivet to Calvary" at the church Sunday evening. Soloist will be Miss Roy F. Stevens. Miss Doris Bayard and Roy F. Stevens.

Programs of sacred music will be held Easter Sunday at the Church of the Ascension, Episcopal and St. Rita's Catholic church. The Congregational Church League of Youth will also observe special Easter services.

Miss Moreland Kortkamp, assisted by Miss Elizabeth Morgridge, violinist, will be presented by her teacher, Mrs. George Morgridge, in a piano recital in the Sierra Madre grammar school auditorium. Patronsess will be Mrs. H. E. Allen, D. C. Ashmore, E. E. Bacon, Gilbert S. Bovard, E. D. Burbank, J. M. Campbell, H. W. Glidden, J. M. Steinberger, Miss Harriet Grant and Miss Muriel Tarr.

With 29 per cent less than average rainfall to date, city water department authorities have diverted over 2,500,000 gallons of water from the tunnels and quarry to the city's underground basins. Earl J. Lynde, city engineer and water superintendent, reported that 340,500 cubic feet of water was put into the underground basins during February. Rainfall so far is 11.17 inches. The average yearly rainfall in Sierra Madre is 24.81 inches, about 59 per cent greater than in Los Angeles where normal is a little over 15 inches.

Mrs. Ruth Klemme Bovard was re-elected school trustee. J. O. Smith is president and Mrs. Cecily Smith, secretary, of the school board. At the Kiwanis club meeting William Middough, Central Avenue druggist, told of an interview with Austin H. Gibbs, providing of Gibbs Meat Market, in line with the club's new policy of having a member give a four minute talk each week on some merchant's business other than his own. Dr. E. L. Jackson was chosen as next week's interviewer and speaker.

A 25 pound Rock cod was caught by Alfred Belohlavek and Adolf Kelterborn about 14 miles off Newport Beach. Altogether the two men caught over 85

pounds of fish during the day. New members of Sierra Madre chapter, Order of the Eastern Star, are: Mrs. Myrtle Hartman, Miss Doris Bayard, Miss Marie Platte, Mrs. Mamie Thomason, Mrs. Marion Davis Collins and Mrs. Mattie A. Cuddy.

Postal receipts for Sierra Madre for March totaled \$1440.12, an increase of 23 per cent over last March. Mrs. Marion Davis, Collins and pointed notary public for another four years. He has held a notary's seal in Sierra Madre for over 30 years.

City Park will be the scene of the city's first egg roll and hunt, with the Volunteer Firemen as sponsors of the event. Donald Thayer, 435 Grove, famous baritone, leaves Sunday for New York where he will embark for Italy to fill operatic and concert engagements in Italy, France and Germany.

ENLARGED AIRLINE FLEET The domestic and international fleets of the United States airlines showed an increase of more than 43 per cent during 1945. The major part of the increase according to the Air Transport Association of America took place in the few post-war months.

Most servicemen feel they have left the armed services behind when they exchange Army khaki or Navy blue for civilian garb. However, the average youth decked up in many habits of service which he will carry on and which will markedly affect living patterns, and, in turn, industry. Shower installations, for instance; streamlined bathing for millions of servicemen, who as a result will carry the shower habit over into civilian life.

PLANES TO FIGHT FOREST FIRE LOS ANGELES—The Army Air Force and the U. S. Forest Service are going to use six helicopters in fighting forest fires in the Los Angeles National Forest. The Fourth Air Force search and rescue unit will fly the planes and if tests prove successful such planes will be used throughout the country by the Forest Service. There will be other tests such as counting cattle, sowing seed and tracking mountain streams with fish.

S.P. the friendly Southern Pacific

To the Voters of Sierra Madre

I wish to express my appreciation for your confidence during my term of office as Councilman.

As a candidate for reelection to the City Council, I trust my record of service these past four years will warrant your continued support.

During my entire term of office I have been Chairman of the Water Department. It is, and it always has been, my desire to develop all available, natural water resources so that Sierra Madre will have an ample supply of water at all times. The future growth of our City will draw more and more upon our limited well supply.

Having in mind the possibilities of furnishing additional water for the proposed annexation of the available portion of the Hastings Ranch, I moved, in regular meeting, that the City retain a competent Consulting Engineer to survey the water situation of Sierra Madre as to the available, potential and future supply. This motion was unanimously approved by the Council.

Vinton A. Hoegee, Incumbent.

Helen Hawley Narozny

Women are becoming more alive to their responsibilities as citizens. They are taking an active part in government all over the world. In order to preserve peace in the world, the women must do their share to cultivate the idea of the brotherhood of man, to arouse the feeling of responsibility regarding your neighbor. This idea must be expressed in every one's daily life if we are to have peace and plenty in the world at large.

We can begin by working for civic betterment in our own small town. We can work to improve the schools, to see that the children are well fed and cared for. We can work to improve the health of all the people in our community and still not forget the needy ones across the water. We must share and produce all we can.

To this end the women now have the opportunity to be represented in Sierra Madre by one of their own sex in the City Council.

Economy

Thrifty is the word for an Electric Water Heater! When you have electric hot water in your home, you get the benefit of a special Edison electric rate that makes the operating cost surprisingly low. You save in other ways, too. An Electric Water Heater gives trouble-free service and lasts for years. Add these economies to the completely automatic operation, dependability and cleanliness of an Electric Water Heater . . . and it's easy to see why so many families are planning to change to electric water heating as soon as new Electric Water Heaters are available.

Mellow as a 'Cello

The rich, resonant tones of an Amati or Maggini 'cello are possible only because of the careful, patient ageing of the wood and the experienced, painstaking craftsmanship of the maker.

Nature cooperates with man too in the making of fine beer. Eastside is carefully, patiently aged under the most exacting laboratory control. Its mellow flavor is the result of this ageing plus many years of experience in brewing. Eastside beer is the product of one of the world's really great brewmasters.
